MOLINOL FORK OIL SAE 15W

This is a fork oil that has a very high viscosity index. It has been based on mineral base oils and will provide optimum dampening control in a very wide temperature range. This product can be used for vehicles on road and off road. The quick air release, low foaming properties and excellent elastomer compatibility ensure that this product

has an excellent effect on equipment maintenance and performance. This fork oil is very universal of use and can be used in telescopic forks, upside-down forks and dampers of bikes, scooters, mopeds and other two-wheel driven vehicles.
